## CREDIT & DEBIT CARD CONTROLS

Manage your Northeast CU Credit or Debit Cards right from your Digital Banking Account on your desktop or through your Northeast Mobile Banking app. Freeze and unfreeze your card, order a replacement, report it lost or stolen, or submit a travel notice from anywhere at anytime.

1. Log into Digital Banking or open your Northeast CU Mobile App.
2. On the main menu go to “Services”.

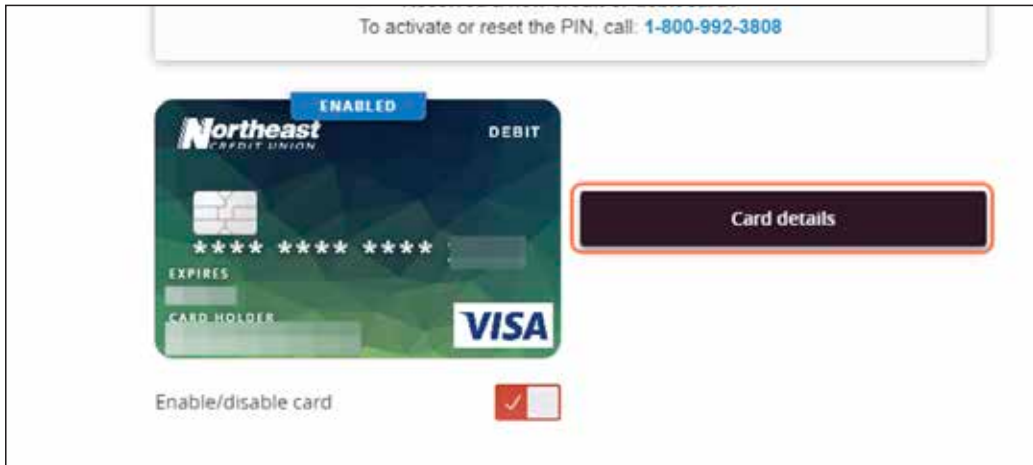

3. Select “Card Services” under the Card Management section.

## CREDIT & DEBIT CARD CONTROLS

4. On the “Card Controls” page, select “Card Details” next to the card you want.

5. On the “Card Details” page, you can enable/disable your card, order a replacement, report it lost or stolen or submit a travel notice.

6. That's it!
